

Setting Goals is the first step of turning the invisible into the visible.

-Tony Robbins

Long Term Dreams

—

Short Term Goals

Imagine your life in 10 years...
anything is possible.

What are your dreams?

Write down everything you would like
to see in your life. Don't Hold Back!

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____
11. _____
12. _____
13. _____
14. _____
15. _____
16. _____
17. _____
18. _____
19. _____
20. _____

For each Dream write out a specific
Goal that is a baby step or stepping
stone to achieve it that you can work
towards THIS YEAR.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____
11. _____
12. _____
13. _____
14. _____
15. _____
16. _____
17. _____
18. _____
19. _____
20. _____

Step Two: Priorities

If EVERYTHING is important, NOTHING is important!

-Melissa Taylor

What is most important to me?

Set your Priorities - within each category—list ACTIVITIES:

RANK:

Personal: _____

Business: _____

Growth: _____

Social: _____

Average people have wishes & hopes. Successful people have goals & plans. -unknown
